Another resource for our teachers and parents is a website dedicated to the Brookview PTA. The member directory for PTA members can be accessed through this website – a perk of PTA membership. Refer to the website for information on updating events, activities, and meetings.

## Brookview PTA Membership

Thank you to everyone who joined the PTA during the November 13-17 membership drive. Congratulations to Jen Sterner for winning the gift card from the membership drive drawing! We had 48 families join the PTA! Thank you all for joining! We are excited for a fun year!

It isn't too late to show your support; your family can still join the PTA for only \$20 per household. You will find our membership form on the PTA website. Complete the Membership form and return it to your child's teacher or the front desk along with your payment.
