Fundraising Update

We hear you. You want to know how we plan to use the money we are raising. This year we have been working hard to develop a base fund amount to have on hand for expenditures as they arise. We had our first official request for funds, and approved, to pay for t-shirts for the second/third grade upcoming music program. We also purchased a movie license that covers the entire school for one year to play any type of movie.

At our last meeting we also approved expenditures for an A-frame sign for the two entry doors and a cash box for future events.

We are planning a Boosterthon to take place in May. Stay tuned for more information!
